

Main ragoon ya na ragoon
Tum mujh mein kahin baaki rehna
Mujhe neend aaye jo aakhiri
Tum khwabon mein aate rehna

Bas itna hai tumse kehna
Bas itna hai tumse kehna
Bas itna hai tumse kehna
Bas itna hai tumse kehna

Main ragoon ya na ragoon
Tum mujhme kahin baaki rehna

Kisi roz baarish jo aaye
Samajh lena boondon mein main hoon
Subah dhoop tumko sataaye
Samajh lena kirno mein main hoon

Kisi roz baarish jo aaye
Samajh lena boondon mein main hoon
Subah dhoop tumko sataaye
Samajh lena kirno mein main hoon

Kuch kahun ya na kahun
Tum mujhko sata sunte rehna

Bas itna hai tumse kehna
Bas itna hai tumse kehna
Bas itna hai tumse kehna
Bas itna hai tumse kehna

Hazaar baar socha, keh doon
Ki friend nahi meri girlfriend hai tu
Par sapne toot jaane ka darr
Kabhi dil se gaya hi nahi

Hawaaon mein lipta hua main
Guzar jaaunga tumko chhu ke
Agar mann ho to rok lena
Thehar jaaunga in labon pe

Hawaaon mein lipta hua main
Guzar jaaunga tumko chhu ke
Agar mann ho to rok lena
Thehar jaaunga in labon pe

Main dikhu ya na dikhu
