

Boi boi bam babm boi boi bam babm boi
 Boi boi bam babm boi boi bam babm boi
 Main raju deewana har gham se begana
 Din aaj khushi ka achha hai bhana
 Main raju deewana har gham se begana

Din aaj khushi ka achha hai bhana
 Nachuga jhum jhum ke roko nahi koi
 Boi boi bam babm boi boi bam babm boi

Thoda anadi, thoda syana
 Mai wo karu jo dil mera bole
 Chehara bhale hi sach ko chhupaye
 Man ka parinda har bhed khole
 Logo ko samjhau sachhi bat batau
 Jau jaha koi naya gul main khilau

Aayega tere ghar chhu chhu ka muraba
 Rab tera shukariya ye ban gaya aba
 Aayega tere ghar chhu chhu ka muraba
 Rab tera shukariya ye ban gaya aba
 Mil jayegi bachpan ki jo tasvir bhi koi

 Boi boi bam babm boi boi bam babm boi
 Boi boi bam babm boi boi bam babm boi

Biwi hai meri thikhi katari
 Meri kadar wo ab tak na jani
 Arey din rat bhage dolat ke pichhe
 Sasure ki beti kitni sayani
 Mera dard na jane mujhko na pehchane
 Wo kare manmani meri bat na mane
 Bantuga rupaiya dekhega zamana

Tu ban gaya papa main ban gaya nana
 Bantuga rupaiya dekhega zamana
 Tu ban gaya papa main ban gaya nana
 Mare khushi ke rat meri aankh na soyi
 Boi boi bam babm boi boi bam babm boi
 Main raju deewana har gham se begana
 Din aaj khushi ka achha hai bhana

Nachuga jhum jhum ke roko nahi koi
Boi boi bam bam boi boi boi bam bam boi
Hey boi boi bam bam boi boi boi bam bam boi
Boi boi bam bam boi boi boi bam bam boi.
