

Main shaayar to nahin
Magar ai hanseen
Jab se dekha main ne
tujh ko mujh ko
Shaayari aa gai

Mainn aashiq to nahin
Magar ai haseen
Jab se dekhaa main ne
tujh ko mujh ko
Aashiqi aa gai

Pyaar ka naam main
ne suna tha magar
Pyaar kya hai ye mujh
ko nahin thi khabar

Main to ulajha raha
ulajhanon ki tarah
Doston men raha
dushmanon ki tarah
Main dushman to nahin
Magar ai haseen
Jab se dekhaa main ne
tujh ko mujh ko
Dosti aa gai

Sochata hun agar
main dua maangata
Haath apne uthaakar
main kya maangata
Jab se tujh se muhabbat
main karane laga
Tab se aise ibaadat
main karane laga
Main qaafir to nahin
Magar ai haseen
Jab se dekha main ne
tujh ko mujh ko
Bandagi aa gai.
