

Main sochta hoon tumhe kya kahe
Arma dil ke jage ankahe
Mere man me ye kasisi dhun baje

Tumse milke tumse milke tumse milke
Tumse milke tumse milke tumse milke

Main sochta hoon tumhe kya kahe
Arma dil ke jage ankahe
Mere man me ye kasisi dhun baje

Tumse milke tumse milke tumse milke
Tumse milke tumse milke tumse milke

Rog raat ko khawbo ki
Baarish mhake aakho me
O pyaar hai ye kitna madhur
Pehli pehli barish jaise mhake

Tanhai me baate karta ho
Khud hi apne dil se

Tumse milke tumse milke tumse milke
Tumse milke tumse milke tumse milke

Muskurata ho gungunata ho
Tumhe dekh kar khwab me
O.. Ye jameen nhi aasma nhi
Ye jahan hai usse kahi badh ke

Koimjadu hai tere roop me kya pta

Tumse milke tumse milke tumse milke

Main sochta hoon tumhe kya kahe
