karti hu pyar meri najre hai teer
meri palke katar o jara sochke
jara sochke samjhke
hona tyar karne ko pyar

ho main hu sholo ka aashik tufano ka yar
mujhe phulo se nafrat hai kato se pyar
tu bhi sochke, tu bhi sochke samjhake
hona tyar karne ko pyar

ho ye magrur jawani meri
jidhar bhi najar uthaye
ho ye magrur jawani meri
jidhar bhi najar uthaye
purja purja karde dil ak
jo mujhse takraye, jo mujhse takraye
mera husn jawan
mera husn jawan jais tikhi ho kaman
jaise lutt jahan uthata tufan
o jara soch ke
ho tu bhi sochke samjhake
hona tyar karne ko pyar

main hu sholo ka aashik tufano ka yar
mujhe phulo se nafrat hai kato se pyar
tu bhi sochke, tu bhi sochke samjhake
hona tyar karne ko pyar

ho machal raha hai in aankho mein
tera husn aur sabab
tu kahe to pi jau main sanjh ko isko sarab
ye jawani ka fatur
ye jawani ka fatur kar dunga chur chur
tera tod ke garru tujhe paunga jarur
tu bhi sochke, tu bhi sochke samjhake
hona tyar karne ko pyar

karne ko pyar karne ko pyar
ha ha karne ko pyar.
