

Maine hotho mein missi lagayi sakhi
Maine galo pe lali sajayi sakhi
Maine hatho mein mehandi rachayi sakhi
Maine balo mein absaa jamayi sakhi

Maine sringar solah kiye isliye
Maine sringar solah kiye isliye
Wo jo aye to dekhe najar bhar sakhi
Wo jo aye to muhse kahe kuch nahi
Wo jo aye to muhse kahe kuch nahi
Bas kiwadiya ko dhad se kiya band sakhi

Main taraju ke hatho toli gayi
Pyar ki mithi boli boli gayi
Mere resham ki har ghanth kholi gayi
Jaise ek raz thi aise kholi gayi
Mere hatho ki baki kachakach gayi
Meri missi bhi ab sahil uth gayi
Kya koi waid the mere saiya sakhi
Jo jodi butiyo si main kuti gayi
Mujhko ronda sakhi aise andaz se
Mujhko ronda sakhi aise andaz se
Jaise dusman ke main sar jami thi sakhi
Mujhko pamal karke bigada sakhi
Mera sringar sara ujada sakhi

Ho gayi jab fatame kaha pyar se
Ajmati ho kyu mujhko sringar se
Ab na karna kabhi aisa sringar tum
Warna ho jaogi mujhse bejar tum

Mere dusman ho bejar unse sakhi
Mere jeevan ka rang hai unhi se sakhi
Main kali thi gul bana di gayi
Main to jush thi sakhi gul bana di gayi
Main luti lut ke bhi muskurati rahi
Ye paheli to mujhko bujha ri sakhi
Main to mangu khuda se ye dua ri sakhi
Tu bhi hath utha kar dua ri sakhi
Mera har kam yuhi bigadta rahe

Mera sringar yuhi ujadta rahe
Mera sringar yuhi ujadta rahe.
