

Tu aaja tu aaja
Mujhko meri sazaa toh suna jaa
Woh aahein haan woh aansu...
Mere hisse ke mujhko rula jaa

Sapne tere saare jinme main rehti thi
Tukde ban ke mere
Zakhm seene me kar gaye ho

Maine mere jaana kyun nahi jaana
Ishq tera, dard tera
Maine mere jaana kyun nahi jaana

Ishq tera, dard tera
Akeli akeli
Reh gayi bin tere yun akeli
Main tadpoo'n ya taarsoo'n
Ya chali aau'n main paas tere
Itni tanhai hai zindagi kho gayi

Baatein karne saari aa rahi hoon tujhse hi
Maine mere jaana ab hai jaana.....
Ishq tera dard tera haaye
Maine mere jaaana ab hai jaana
Ishq tera dard tera

Tu jo gaya.....
Haal ye mera rehta hai
Dil ye mera aaa..aaa....
Khud se hi tanha rehta hai

And i feel too lonely yeah...
Thats a better place than this
:emptiness

And i'm too lonely
Thats a better place than this
:emptiness..
