

# Majhe Aale Song Lyrics

---

Ho vajjde majaan ni dilaan ch na mail ni  
Yaaran piche parche te yaaran piche vair ni  
Ho din raat langda aa veeran vich balliye  
Farake aa veeran ate heeran vich balliye  
Att naiyyo vikiyan zameeran vicho balliye  
Yaari piche billo samyote kare ya na de

Ho att billo att billo pakkiyan zubaana de  
Bahute naiyyo paale assi chaske rakaana de  
Laal laal akh billo dab 8 lakh billo  
Vairiyan lai khulle rehnde raah shamshana de

Ho nana si black ya te naam si diyal ni  
Ohde wale att billo ne vi shaunk rakhe paal ni  
Ghodiyan te gaddiyan ajj vi na chaddiyan  
Pehlan sige naal jehde ajj vi ne naal ni

Ho mottraan te ikath hunde bande naal att hunde  
Aathane nu billo patte hunde botalaan de datt hunde  
Peende kaddi ghar di jo hauli hauli chad di  
Teer hunde tikhe billo saddi aa kamaana de

Ho att billo att billo pakkiyan zubaana de  
Bahute naiyyo paale assi chaske rakaana de  
Laal laal akh billo dab 8 lakh billo  
Vairiyan lai khulle rehnde raah shamshana de

Judge kar laiye banda vekh tor pairan di  
Ya pher sadde naal rahi ya hammi bharu gairaan di  
Yaaran piche ghass gayi aa jodi tyraan di  
Gall suni tan honi tu awaaz fireaan di

Ho kehnde firde aa pange lainde firde aa  
Ajj de ni kude ehe bade chir de aa  
Ho 6 futte dass gidran ton ghirde aa  
Jhaake maade hunde kude udd de toofan de

Ho att billo att billo pakkiyan zubaana de  
Bahute naiyyo paale assi chaske rakaana de

Laal laal akh billo dab 8 lakh billo  
Vairiyan lai khulle rehnde raah shamshana de

Ho jithe rakhe rabb assi raajiyaan rakkane  
Paindi je wangaar kade laaye ni bahane  
Taiyon aunde yaran naal nibhde yaraane  
Jehde dil ch vasaaye kde kitte ni bahaane

Sama vaikh chadde naiyyo pair att billo ne  
Aah laye charche kara te tere shair att billo ne  
Thaal rakheya e poora kehar att billo ne  
Ho jigre na milde ni mehngiyan dukaana te

Ho att billo att billo pakkiyan zubaana de  
Bahute naiyyo paale assi chaske rakaana de  
Laal laal akh billo dab 8 lakh billo
