

Check it out!
Yo yo honey singh
Tdo, singhsta baby!

Tujhe diamond jaise sambhal ke rakhna
Tere pyar appetizer chakhna
Tujhe diamond jaise sambhal ke rakhna
Pyaar appetizer chakhna
Aur kisi pe gaur na kar
Mere paas aake bol mujhe tu makhna

Makhna...
O mere makhna...
Makhna...
O mere makhna...

Makhna makhna makhna aye
Makhna makhna makhna
Makhna makhna makhna aye
Makhna makhna makhna

That girl is trouble
The way she move like that
The way she wanna bring you right back
Trouble!
Yes she bad like that
Imma callin up you please beware

That girl is trouble
The way she move like that
The way she wanna bring you right back
Trouble!
Yes she bad like that
Imma callin up you please beware

Yo yo honey singh!

Makhna...
Tu tu tu tururu
Makhna...

Main aur mere kalakar
Sab beth ke karein chill
Par main hoon womanizer
Mujhe akele mein mat mill
Silicon wali ladkiyon ko main pakadta nahi
Brown girl se mera dil bharta nahi
Gori gori skin ke liye main marta nahi
Kyunki main hoon sher ghaas charta nahi

Tu hai patli si naari
Par mera weight ho gaya hai thoda bhaari
Tu hai jaanti main hoon shikari
Tujhe kha jaaunga saari ki saari

Kyun ghabrati, baatein chhupati
Paas bulake, door kyun jaati
Din mein tu mil chaahe mil mainu raati
Darr mat main nahi illuminati

Makhna...
Tu tu tu tururu
O mere makhna...
Tu tu tu tururu
