

# Malli Malli Song Lyrics

---

Malli malli nuvve eduredhurosthe  
Thats a sign ani manasantundhe  
Naa latest mission vi nuvve  
Saadhinchalanipisthundhe

Pilla nee valle dil laa  
Dhak dhak ento perigenilaa  
Neelo ika choodaala  
Jaruguno ledho ee maaya

Idhi love o nee navvo  
Ayyaa romeo o ammaayo  
Ayyayyo em maayo, hey  
Ento nee crazy cameo

Lokamantha hack chesi pariselopu  
Manase hijack chesi kollagottaavu  
Mundhika ememi chesthaavu  
Chey ika nee ishtamu

Malli malli nuvve eduredhurosthe  
Thats a sign ani manasantundhe  
Naa latest mission vi nuvve  
Saadhinchalanipisthundhe

Kotha kotha hormones jala jala paare  
Lona lona perige wild gaa jore  
Koncham control thappindhe  
Parle ayinaa baagundhe

Aa aa, 0 0 7  
Aa aa, shot shot gun ve  
Aa aa, 0 0 7  
Aa aa, shot shot gun ve

Are entho focus tho unna timelo  
Dream pursue chese naalo  
Edho kallolam modhalayyindhe

Naatho nee journey saagaalandhe  
Ee universe nammaale  
Nenu already nammeshaane

Lokamlona accidents ye leve

Jarigevanni incidents maatrame  
Vaddani dhooram vellaalanukomaake  
Jeevithantham ninu bandhinchesthaane

Malli malli nuvve eduredhurosthe  
Thats a sign ani manasantundhe  
Naa latest mission vi nuvve  
Saadhinchaaalanipisthundhe

Kotha kotha hormones jala jala paare  
Lona lona perige wild gaa jore  
Koncham control thappindhe  
Parle ayinaa baagundhe
