No car'an no naar'an matter na karne  
Enna ton ni main bahar aa  
Udd-diyann dara mint ch main utaara  
Dharti te sinn ke nishana jado mara

Ni main balliye yaara'an da yaar aa  
Fakkran ne rabb naal jodiyen taara  
Asle di lorh ni main ankh naal saara  
Rakhna jaroor painda loki khainde khaa a

Ik bhaini pind da munda gaave  
Gallan hundiyan ne  
Oo gunjda balliye gaane tu  
Jive mittiyan gundiyan ne

Tarja cho chadh'di lor te chobbar  
Chadh गया मुहा ते

Loki dil te chadd'de chaap  
Chaap oo chhdd-da rooh'an te  
Loki dil te chadd'de chaap  
Chaap oo

Ho beh ke khoo te geet banaya  
Hekka la la jatt ne gaaya  
Ho paira baapu te ik paaya  
Rabb kya chij bana ditti

Jine jitt ke saari duniya  
Putt de gije paa ditti  
Oo jinej itt ke saari duniya  
Putt de gije paa ditti

Ho matt jatt de shuru to befikri ae  
Lakh jimmewariyan rakane bhawien bhariyan rakane  
Par karke kinare diyan baithe loke jitthe  
Laun taariyan rakane palle yaariyan rakane

Dukh tod-te babbe ne nakk mod te

Rupaiya di ta thod hi ni koi vadu lorh hi ni koi  
Jitthe jatt diyan vajjan breakan  
Aisa jindagi ch mod hi ni koi

Oo saddi balliye sadde wargeyan  
Naal hi yaari puggdi  
Ni jis gal naal naa sadda jud je  
Ni jis gal naal naa sadda jud je  
100 percent aa udd-di

Ni fikar failure fukre'an nu aa  
Jaat maarda thud ni  
Kal di dal balliye  
Aajj life aa good ni  
Kal di kal balliye  
Aajj life aa good ni

Oo kariyan ne badiyan  
Pooriyan jo dhariyan rakane si main adiyen  
Bohtan ni main padhiyan  
Gallan ne do fadiyan  
Moore ne jo khadiyan jo horan naal kariyan

Akhir nu balliye dikk diyan madiyan  
Keha ke shringar aa mitti ch paiyan sadiyan  
Main paise piche dekhi aa zameera mariyan  
Munda marr janda kado likhtan ne mariya

Ni jo girgit badle rang oo  
Duniya badle tor kude  
Etthe jeyondeaa ton ne hor  
Lok mareyan ton hor kude

Ho ki kismat ne dena balliye  
Neet de nanga nu  
Kado race'an vich ne bhajj de ghode  
Jaan jo jung'an nu  
Kado race'an vich ne bhajj de ghode

Ho paisa dekh ni jatt ne
