Aaroraal mounamaay maayunnu  
Thoomanju pol enne nee moodunne  
Melleyen kannukal ninnolam thedave  
Lolamaam thoovalay nee chaareyay

Ennullille jeevanay  
Ennenumen swaasamaay  
Kanavilezhu varnamay  
Ninavilethu raagamay

Ezhezhu janmangal  
Theerathe thedunna  
Mandharame neeyennile  
Aakashamaay maari

Aathmaavile nerpathiyaay  
Ennomale varu koode neeyum

Parayuvaanayiram

Varikal maayunnuvo  
Vaaku thirayunnuvo  
Arike nee vannidum neramo

Nee neelamekhamayen
