Manase madhuras  
Kanuley kamalam  
Manase madhuras  
Kanuley kamalam

Koti suryullu okkasari  
Namundhku ochinathu  
Oo vintha velugedho vachindhey

Vendi vennello  
Oo sweetu symphony mroginatlu  
Nee navvey nakinka thochindhey

Chalu chaley naku chalu chaley  
Ninnu choosa naa lokama  
Ravey ravey paripoyi ravey  
Chenthakochev vayyaramaa

Madhi yemito dhani katha emito  
Nee dharito kadhiley  
Prathi kshanam neetho anukshanam  
Oo bandhamai medhiley

Nee roopemito dhaani maayemito
