Sittu rendu erai edukka
Vattam ittu siragadikkum
Siragadikkum siragadikkum
Suthi suthi thirinja pinnae
Koottil onna kudi irukkum
Kudi irukkum kudi irukkum

Thaniya irundhadhu podhadha
Thunai onnu inanja aagadha
Kuruviya pol vaazhvamaiyaadha
Manamirundha adhu kedaikadha

Nalladhunnu solludhamma
En manasu mudivaaga

Manasula manasula
Oru maadhiriya irukku
Nenapula nenapula

Adhu pudhu vidhama irukku

Than vazhiye nadakiradha
Illa vazhivittu velagidudha
Thanimaikku thunaiya thedanuma
Pogira pokkil poganuma

Manasula manasula
Oru maadhiriya irukku
