

Mangalyam Tantunanena Lyrics

Varanallu hosa lavalavike
Vadhuvallu hosa lavalavike
Vadhuvararaase chadapadike
Maduve yemba sambhramake

Hasiru chappara angalake
Hosa hombaale swagatake
Belagane idi balagane
Taane tandanne tandanne
Aadide sambhramake

Vaare nota yeneno helutide
Tareyante tutiyali naguvide
Praaya viraha helikoluva tavakavide

Shaastradolage aane bhaashe adagide
Mantradolage manasina bandhavide
Naada swarada naada sudheyu molagutide

Maangalyam tantu naanena
Mama jeevana hetuna
Kante badnaami shubhage tvam
San jeevana sharadashyatam

Maangalyam tantu naane naa
Mama jeevana hetuna
Kante badnaami shubhage tvam
San jeevana sharadashyatam

Yelu hejje iduvaaga manasalleno saviraaga
Yendu naanu jotheyaagiruve
Anno nambike anuraaga

Ondago sandhaana... ommatada kalyana...
Ee bandhu balagake sadagara sopaana

Hasiru chappara angalake
Hosa hombaale swagatake
Belagane idi balagane

Taane tandanne tandanne
Aadide sambhramake

Vaare nota yeneno helutide
Tareyante tutiyali naguvide
Praaya viraha helikoluva tavakavide

Shaastradolage aane bhaashe adagide
Mantradolage manasina bandhavide
Naadaswarada naada sudheyu molagutide

Maangalyam tantu naane naa
Mama jeevana hetuna
