Hey Manjula Manjula
Rave Manjula Manjula

Hey supulo unna sudulo sudulo
Lipulu unna dhudhulo dhudhulo
Sanani nadumu unna badhalo badhalo
Nene unte racha racha vudhilo

Haa naa soku angoora guthulo guthulo
Katukettukunna kathulo kathulo
Mee kompamunche ethulo ethulo
Thagakunda oogutharu mathulo mathulo

Neenu yenkenta galilo sweet kiss-lu
Rayyantu vachesthai ambulans-ulo
Nenu thippesi steppethey pilli nadakalu
Asupathullo salavantha unte veyi padakalu

Kotukuntare kodi punjula

Kotukuntare kodi punjula

Potti potti batalu vesi jogging amo chestunte
