

Man mataanga re...man matanga re...
Man mataanga re...man matanga re...
Man mataanga re...man matanga re...
Man mataanga re...man matanga re...

Man ko hai manzoor kiye jjaa
Man mutabik tu jiye jaa
Kharch kar de auro pe dhadkane
Bad-duaayen...ya duaaen..
Jo mile..tu liye jaa..

Man mataanga re...man matanga re...
Man mataanga re...man matanga re...
Man mataanga re...man matanga re...
Man mataanga re...man matanga re...

Mittiyon ki kashtiyon mein bah raha
Mittiyon ka aasmaan odhe hue
Muskurahat jeb me nikla hai lekar
Dard ki duniya se muh mode hue
Raaste pagdandiyon pe daud ke
Noor ka pyala jo aaye saamne
Diye jaa..

Man mataanga re...man matanga re...
Man mataanga re...man matanga re...
Man mataanga re...man matanga re...
Man mataanga re...man matanga re...

Seepiyonn mein kaai jam jaaye na gam ki
Aise jazbe dil mein ab palte kahan hain
Khwab jo udhre hue hain dusron ko
Usko seene waali do aankhen kahan hai
Khoon ke ho ya paseene ke dhaage
Shaamiyane baarishon ke waaste tu siye jaa..

Man mataanga re...man matanga re...
Man mataanga re...man matanga re...
Man mataanga re...man matanga re...
Man mataanga re...man matanga re...

Maskhara hai ya maseeha ye paheli
Sirf aane waale kal ko hi pata hai
Saath koi de na de parwaah kaisi
Saath tere, tere sathi kee dua hai
Jogiyon ko jag-hansaai se kya lena
Yun baha ke le ujaale..
Tu andhere piye jaa..

Man mataanga re...man matanga re...
Man mataanga re...man matanga re...
Man mataanga re...man matanga re...
Man mataanga re...man matanga re...
