

Manmohan murali teri bairan ban gayi haye
 Baje to radha bawri na baje to man akulaye
 Suno ek din ki baat thi wo poonam ki raat
 Suno ek din ki baat thi wo poonam ki raat
 Radha baithi thi jamuna ke teer
 Badi man me adhir bhare naino mein neer
 Nahi aaye salone sawre
 Akulane lage naina ha bawre
 Tabhi boli sakhi dekh bholi sakhi
 Tere murli wale sham aa gaye
 Tere man ke mohan sham aa gaye
 Tere sapno ke ghan sham aa gaye
 To radha boli radha boli radha boli

Radha boli radha boli bade ji tum aaye ho
 Jaise hamko tumhare bin chain nahi
 Apni murli me ras bhar laye ho
 Jaise hamko tumhare bin chain nahi
 Radha boli radha boli bade ji tum aaye ho
 Jaise hamko tumhare bin chain nahi
 Radha boli

Uthe tan man me peed kya tumhare liye
 Uthe hriday ka dhir kya tumhare liye
 Lage virah ka teer kya tumhare liye
 Mera dukhda bada dukhda mitane aaye ho
 Jaise hamko tumhare bin chain nahi
 Apni murli mein ras bhar laye ho
 Jaise hamko tumhare bin chain nahi
 Radha boli radha boli bade ji tum aaye ho
 Jaise hamko tumhare bin chain nahi
 Radha boli

Koi karta human to aji tumko kya
 Koi karta human to aji tumko kya
 Jaye virahan ki aan to aji tumko kya
 Koi kho dale pran to aji tumko kya

 Jab khud ko jab khud ko padi tab aaye ho

Jaise hamko tumhare bin chain nahi
Apni murli me ras bhar laye ho
Jaise hamko tumhare bin chain nahi
Radha boli radha boli bade ji tum aaye ho
Jaise hamko tumhare bin chain nahi
Radha boli.
