

Jo hai aaj adhure honge
Woh sapane pure
Chhaaye laakh niraasha
Tute na mann ki aasha o o o

Jo hai aaj adhure honge
Woh sapane pure
Chhaaye laakh niraasha
Tute na mann ki aasha o o o
Hey chalo naache gaaye

Jhumein hai chume haay

Jo vedana teri wahin kahaani meri
Kyun bhala akhiya se barase ir ki dhaara
Has de has de has de
Has de has de has de has de
Dukhon ke jaayenge
Sukh ke pal aayenge

Haay haay jo hai aaj adhure
Honge woh sapane pure
Chhaaye laakh niraasha
Tute na mann ki aasha o o o

Bebaso ka naala sune woh uparwaala
Kar bharosa har pida ko mita dega
Mitawa mitawa mitawa
Mitawa mitawa mitawa mitawa
Sab ke kaam aata woh hai sabka daata

Yeh samay ka khela ise
Toh sabane jhela
Hausale ke bhor ko ka tutane dena
Duniya duniya duniya
Duniya duniya duniya duniya
Jo kabhi na haarega
Woh bhaag sawaarega
Jo hai aaj adhure honge
Woh sapane pure
Chhaaye laakh niraasha

Tute na mann ki aasha o o o.
