

Tere bina ji na pau, sung tere ji na pau  
Hoke juda abb hum milen, abb na kabhi honge judaa  
Abb kya kahun isake siwa  
Man tu talbat, tu man talbat  
Man tu talbat, tu man talbat  
Man tu talbat, tu man talbat  
Man tu talbat, tu man talbat

Vey nakh inti, vey nakh inti  
Ye nur al hai, vey nakh inti  
Tyali haye dhi, takh li aluni, ukhne vele genvhi, vift ki  
Abb kya kahun isake siwa  
Man tu talbat, tu man talbat  
Man tu talbat, tu man talbat  
Man tu talbat, tu man talbat  
Man tu talbat, tu man talbat

Tere bina ji na pau, sung tere ji na pau  
Tere bina ji na pau, sung tere ji na pau  
Hoke juda abb hum milen, abb na kabhi honge judaa  
Abb kya kahun isake siwa  
Man tu talbat, tu man talbat  
Man tu talbat, tu man talbat  
Man tu talbat, tu man talbat  
Man tu talbat, tu man talbat  
Oh my love, i have the key in love  
I will be there for u, always be there for u  
Abb mil gaye lo phir se hum, subahon ne phir chumen kadam  
Kudrat ne haatho se likhe, khud rishte yeh janmo janam  
Abb mil gaye lo phir se hum, subahon ne phir chumen kadam  
Kudrat ne haatho se likhe, khud rishte yeh janmo janam  
Mil kar rahenge hum yu sada  
Man tu talbat, tu man talbat  
Man tu talbat, tu man talbat  
Oh my love, i have the key in love  
I will be there for u, always be there for u  
Vey nakh inti, vey nakh inti ye nur al hai, vey nakh inti  
Tyali haye dhi, takh li aluni, ukhne vele genvhi, vift ki  
Dil ke varat pe hai likha, har lafz tere pyaar ka  
Yeh waqt chaaha bhahut, lekin na phir bhi mit saka

Dil ke varat pe hai likha, har lafz tere pyaar ka  
Yeh waqt chaaha bhahut, lekin na phir bhi mit saka  
Har lamha ye kehne laga  
Man tu talbat, tu man talbat  
Man tu talbat, tu man talbat  
Man tu talbat, tu man talbat
