

Mar jayenge chahne wale tere
Mar jayenge chahne wale tere
Par ishq to ruswa na hoga
Mar jayenge chahne wale tere
Hum ne to kabhi socha hi nahi
Hum ne to kabhi socha hi nahi
Anjaam humara kya hoga
Mar jayenge chahne wale tere
Par ishq to ruswa na hoga
Mar jayenge chahne wale tere

Mere humdum yaha o
Mere humdum yaha
Do dilo ki zuban
Lakh samjhau koi samjhta nahi
Ishq hai agar khata o
Ishq hai agar khata

Jurm hai agar wafa
To bhala kon yeh jurm karta nahi
Yeh khata humne ki
Ha wafa humne ki
Dede saja hum sajavar hai
Mar jayenge chahne wale tere
Par ishq to ruswa na hoga
Mar jayenge chahne wale tere

Mere khabo mein to
Mere khabo mein to
Roj aate the tum
Aaj kismat de didar bhi ho gaya
Aaj hai samne o
Aaj hai samne
Phir se jalva wohi
Jo dekha ke jhalk kahi kho gaya
Ab to nikle sanam tere
Kadmo mein dam
Is haseen maut ke hum
Talabgar hai
Mar jayenge chahne wale tere

Par ishq to ruswa na hoga
Mar jayenge chahne wale tere
Hum ne to kabhi socha hi nahi
Hum ne to kabhi socha hi nahi
Anjaam humara kya hoga
Mar jayenge chahne wale tere
Par ishq to ruswa na hoga
Mar jayenge chahne wale tere.
