---

Marumurai naan thannathaniyai  
Aval karuvendre verillaiye  
Ingu naan yaar Soodum kaathiro  
Maraimugilo athai solvaro

Pen vadivil Karnan en kathaiyanatho  
Piravinil pizhaiyane

Naan kannadiyil ennai sendru paarthal  
En adayalam ennavendru kettal  
En thaaiyendru kodilum thanthaiyendru madilum  
Nambi vandha unmai ingu poi  
Naan azhuguren

Maraiyadha kanneer illai, illai  
Manam marakkatha kadhaigal illai, illai  
Kadavulukkum annai illai, illai  
Aanal thaniyaga yaarum illai, illai

Marumurai naan thannathaniyai  
Aval karuvendre verillaiye  
Ingu naan yaar Soodum kaathiro  
Maraimugilo athai solvaro

Ulagam mudungi ingu thaniye naan irukka  
Ennai naane arinthen  
Indru paravai pesum mozhi kaatru kaattum vazhi  
Pudhithai naanum rasithen

Uyirin thaalam korthu salangaiyodum mela arinthen  
Kalai alanthan  
Thalaiyanai naan anaikka chuzhal ondrum undanathe  
Kadhaigalai naan kathaikka mounamgale sollathanathe

Marumurai naan Thannathaniyai  
Aval karuvendre verillaiye  
Ingu naan yaar Soodum kaathiro  
Maraimugilo athai solvaro

Pen vadivil Karnan en kathaiyanatho
