Sirikkuren parakkuren kirukkula kezhakkula
Urakkamtha tholaikkuren unakkedhu irukka
Usurula medhakkuren neruppula nadakkuren
Idhayatha izhukkura yeriyura neruppa

Nenjula eppodhum vibe-u thaan aayache
Rope thaan illama nee izhukkura ennai

Maran maran maran maran marankothiye
Mana mana manasula arankothiye
Maran maran maran maran marankothiye
Mudhal mudhal paarthathum mayakkuttiye

Mana mana... Manasula marankothiye
Maran maran marankothiye
