Maravaamal nodiyum vilagidaamal  
En karangal patrikondeerae  
Maravaamal nodiyum vilagidaamal  
Marbodu anaithu kondeerae

Nigarilla siluvayin anbadhai marandhu  
Nilaiyilla ulaginai en kan thaeda  
Ulagin maayaigal ennai vandhu nerukka  
Azhaiyaa kural ondru ennai vandhu thetra

Enakkai yengum undhan anbai unarndhen  
Ulagin aacharyangal arpam aanadhe  
Enakkai yengum undhan anbai unarndhen  
Ulagin aacharyangal arpam aanadhe

Anu mudhal anaithum um vaarthaiyaal iyanga  
Arpan enakaai yengi nindreere  
Azhukkum kandhaiyumaai alaindhu thrindha ennai  
Alavatra anbaale alli anaiththeerae
