

Yaa devi sarvabhuteshu, shakti rupen samsthita
Yaa devi sarvabhuteshu, shanti rupen samsthita

Aaj se ab se
Aan meri main tumko na chhoone doongi
Jaan ko chaahe chhalni kar do
Maan ko na choone dunggi

Aaj se ab se
Aan meri main tumko na chhoone doongi
Jaan ko chaahe chhalni kar do
Maan ko na choone dunggi

Choo ke dekho dil mera
Tumhe dil mein apne bhar lungi
Par chhed ke dekho tum mujhko
Main tumko nahi chhodungi

Yaa devi sarvabhuteshu, shakti rupen samsthita
Ay, main tumko nahi chhodungi
Yaa devi sarvabhuteshu, shanti rupen amsthita
Tumko nahi chhodungi... aye...

Skirtein saari raat dopehari
Darr darr ke nahi chalungi
Candle jala ke sandal dikha ke
Mar mar ke nahi chalungi

Jis duniya mein maa behne
Rishte nahi, gaali hain
Uss duniya se maryada ke rishte saare todungi
Kadam milake dekho to
Main saath me tere chal dunggi
Par chhed ke dekho tum mujhko
Main tumko nahi chhodugi

Yaa devi sarvabhuteshu, shakti rupen samsthita
Ay, main tumko nahi chhodungi
Yaa devi sarvabhuteshu, shanti rupen amsthita
Tumko nahi chhodungi...
