Thala therichoru aalkkottamethi
Kaanaakkaazhchakkappurathu athirukal keru
Nidhi thedi raajaakkal ithu nammude
Bharanakaalam melaalanmaar namma naalum
Vazhi vazhi vari aayi ninnu thalam
Dhiruthiyil chilavaru avashanaakum
Saare pande njaanee tharikida aane
Shanidasha kaanum ennaalum
Moda moda aakum ivarude sheelam
Munnottanini sanchaaram
Rasikaramaakum ee naalum
Kalapila paadunnu ellaarum
Thaanthonnikale pole kaanum
Kuruthakkedilum aanandham
Thala poya thenginte mandelu
Mala pole naalanchu mathanga
Kadalaasukondulla vanchiyil
Kadalezhum onnichu pokaan moham
Maanam thedi njaanum kaanaatha
Kaazhchakal kothikkum hridayathil
Ulla thee kedaathe alayunna swarga
Raajyathekku thudaraanaay
Palavidha rasikara anubhavangalum
Oru podi kombum nilavadhi kaanum
Thala pukayana chila maanjaalam
Njarambukalilo vepraalam
Kalapila paadunnu ellaarum
Chila pala parayaanum undaakum
Parayana vaakkukal theppori kum
