

Mariz-e-mohabbat unheen ka fasana  
Sunata raha dam nikalte nikalte  
Magar zikre shame alam jab keh aaya  
Charaghe sehar bujh gaya jalte jalte

Irada thaa tarke mohabbat ka lekin  
Faraebe tabassum mein phir aa gaye ham  
Abhi kha kay thokar sanbhalne na paye  
Keh phir kayee thokhar sanbhalte sanbhalte

Aray koi wadaa khilafee ki had hai\  
Hissab apne dil mein laga kar to dekho  
Kayamat ka din aa gaya rafta rafta  
Mulaqaat ka din badalte badalte

Unhein khat mein likha keh dil muztarib hai  
Jawab unka aaya mohabbat na karte  
Tumhein dil lagane ko kis nay kaha thaa  
Behal jayega dil bahalte bahalte

Hamein apne dil ki to parvah nahin hai  
Magar darr raha hoon yeh kamsin ki zidd hai  
Kahin paaye naazuk mein moach aa na jaye  
Dil-e-sakht jaan ko masalte masalte.
