

Marzi Lyrics

Karaan kudde kaaliyan te silvery wheel ni
Bhull ke vi ghaat aali karde na deal ni
Gabbru di akh laal pichhe kai goriyan
Baithiyan pava aiven addiyan ch neel ni

Koi kehnda bhai ji te kite hundi sarji
Kehdi pauri chadhna aa mittran di marzi

Kithe behna khadna aa mittran di marzi
Kehde boohe varhna aa mittran di marzi
Oh kaun hunde aa salahaan den wale
Jehda kamm karna aa mittran di marzi

Paaniyan ch pul wangu rakhiye stand
Easy ho ke rahiye saada aukha ae slang
Kharche nu khooh ban jaan jebaan saadiyan
Ni charche nu peeliyaan ch aundi saadi gang

Kade khaate zero kade ikk pichhe zero aa
Dohan situations ch yaar honi hero aa
Special bithaye kurteyan nu assi darzi ni
Kithe koka chadhna aa mittran di

Kithe paina khadna aa mittran di marzi
Jehde boohe varhna aa mittran di marzi
Oh kaun hunde aa salahaan den wale
Jehda kamm karna aa mittran di marzi

Andron bahron phone khadakde
Masla aa kehdi gall da ni saada naa mutiyaare
Shehar tere vich chalda aa ni saada naa mutiyaare

Mehnge cafean ch saada hunda phira tora
Jaandi aa haale tu randhaave baare thoda
Dass ke harek naal gall kar lainde aa ni
Inne naal agle da ho je seena chaudha

Link saade edde assi us jadon karle ni
Vekhi chali vairi kinna kadd liya tarle ni

Gaddi gurjeet gill di ni chheti khardi ni
Kihnu phadna aa mittran di

Kithe paina khadna aa mittran di marzi
Jehde boohe varhna aa mittran di marzi
Oh kaun hunde aa salahaan den wale
Jehda kamm karna aa mittran di marzi

Ikk vadda veer deve modhe utte thaapi
Mod ke main ohdi kade baniya ni paapi
Phone paap udan taan bathere ghar chhad deyan ni
Jehdi saadi khabar akhbaaran ne ni chhaapi

Paun nu pataake bor rakh lae ne vadde
Country to country ne mittran de adde
Iron sareer aaun dinde nahio charbi
Samundraan nu tarna aa mittran di

Kithe paina khadna aa mittran di marzi
Jehde boohe varhna aa mittran di marzi
Oh kaun hunde aa salahaan den wale
Jehda kamm karna aa mittran di marzi

Kithe paina khadna aa
Jehde boohe varhna aa
Oh kaun hunde aa salahaan den wale
