---

Oh revolver rakhda ae chant chant ke  
Bande naal rehnde kude bhak maat de  
Yaari da grip dhila hon ni ditta  
Oh kar dayie velly siddha manj manj ke

Rojana zindagi ch insane kamm bade  
Jehda mure ade assi fadd piche kare  
Naal rakheya na kade gidd-da da bugg ni

Oh sadde naal kari ek din tu spend  
Assi horan jehe naa saddi duniya ae alag ni  
Sadde naal kari ek din tu spend  
Assi horan jehe naa saddi duniya ae alag ni

Gaddiyan ne rakhiyan classic ni goriye  
Hathan vich gun munh te mask ni goriye  
Hathan vich gun munh te mask ni goriye  
Hathan vich gun munh te mask ni goriye

Gaddiyan ne rakhiya classic ni goriye  
Hathan vich gun munh te mask ni goriye  
Ho karde aa jehde okhe task ni goriye  
Ho ankhan naal lainde kude dil thug ni

Oh sadde naal kari ek din tu spend  
Assi horan jehe naa saddi duniya ae alag ni  
Sadde naal kari ek din tu spend  
Assi horan jehe naa saddi duniya ae alag ni

Let's go!

Original bane copycat kade bane ni  
Bane godfather aa rat kade banne ni  
Bane godfather aa rat kade banne ni  
Bane godfather aa rat kade

Original bane copycat kade bane ni  
Bane godfather aa rat kade bane ni  
Ae gold ton mehngre scrap kade bane ni

Aa karan thabal aiven chaddu jahk ni

Sadde naal kari ek din tu spend  
Assi horan jehe naa saddi duniya ae alag ni  
Sadde naal kari ek din tu spend  
Assi horan jehe naa saddi duniya ae alag ni
