

Mass Mogudu Song Lyrics

Yandhi reddy yandhi reddy
Yaada choodu needhe joru
Thodalu gotti hadalagotti
Moguthaandhi needhe peru

Yaadanunchi thannukosthadho
Thaatateese neelo oopu
Entha podugu potugaadu
Raane ledu nee daridaapu

Putakathone manlo unnai
Nanna gaari genes'o genes'u
Same to same aa cut out ye
Manaku reference'u

Nee dhunnudu dhookudu
Muttadi chesthaandhe
Nee laagudu oogudu
Nanu attudikisthaandhe

Mass mogudochade
Ma mass mogudochhaade
Ye, koka raika gap choosi
Gila gila gichhaade

Aey, mass mogudochade
Ma mass mogudochhaade
Are moothi muddhul kaanukichhi
Meesam guchhaade

Yandhi reddy yandhi reddy
Yaada choodu needhe joru
Thodalu gotti hadalagotti
Moguthaandhi needhe peru

Aey rangu rangula rekkala gurramlaa
Chengu chengu nosthine o pilla
Nee mallepoola kallekichhi naakilla
Manchi chedda choosuko maradallaa

Yaa, seema katthi sooputhosiggulanni dosthiva
Silupu lungi suddukunna singamlaa
Naa kattubottutho sahaa puttumachhaku bhale
Pulakarinthaloche nee dhayavallaa

lyrics

Hey, kuluku choosthe kullu manali
Patta pagale pogalu segalu
Poola rekkalu pulakinchadhe
Teeradhe gubulu

Nee maatiki dhaatiki
Buggalu kithakithale
Naa aataki potekkuvaa
Raathiri rasikathale ye ye

Mass mogudochade
Ma mass mogudochhaade
Ye, koka raika gap choosi
Gila gila gichhaade

Aey, mass mogudochade
Ma mass mogudochhaade
Are moothi muddhul kaanukichhi
Meesam guchhaade.
