

Massacre Lyrics

Mahi ve stay away
Hai bahain tabhahi
No ana na pass

Be-khabar is kadar
Hai saansein tezaabi
Gonna get you khalaas

Thamm jaau main jahaan
MIT jaaye sab wahaan
Ab yeh barbaadiyaan toh
Aadat ban chuki hai

Qaatilaana mera dhoori hai
Maar daalega fittor yeah
Dont you know that I am massacre
Kaafilaana mera nur yeah
Kar dega fanaa zarror yeah
Dont you know that I am massacre

Massacre
Yes I am massacre

Meri naa meri haan
Boy this is my show
Mann-marzi meri

Raakh hoon khaak hoon
Jal jaayega tu toh
Just one look at me

This is the big girls club
If you wanna play
Fall in LINE little boy
'cause you cant run away

Theres nowhere to hide and theres nowhere to go
Theyve shattered the ceiling theres blood on the floor
A fight to the finish

Or kiss goodbye
Get your last wish baby cause you are gonna die

Jo hai laavo PE
Ab woh zaher chadh jaayega
Chhu lo na roop ko
Tu toot ke bikhar jaayega

Qaatilaana mera dhoori hai
Maar daalega fittor yeah

Dont you know that I am massacre

Kaafilaana mera nuri hai
Kar dega fanaa zarror yeah
Dont you know that I am massacre

They they ask us details
Got me just a little
The way she walks the way she talks
Shes a massacre

They they ask us details
Got me just a little
The way she walks the way she talks
Shes a massacre

They ve been plotting on me for the win
They ve been teaming up against each other man
Cause I know that you are a massacre
