

Mast pawan dole re dole re, dole re
Mast pawan dole re dole re, dole re
Mora jiya uda jaye

Jaise barkha me mor lahraye
Mast pawan dole re dole re, dole re

Dole pawan aur odhniya udaye
Dole pawan aur odhniya udaye

Odhniya sambhalu to gunghat uthaye
Gunghat bachau to anchal giraye

Dole pawan aur odhniya udaye
Kaha jake chhupe haye

Mora jiya uda jaye
Haye mast pawan dole re dole re dole re

Jhoka jo aaye to jiya mora sanke
Jhoka jo aaye to jiya mora sanke

Payal kare shor bichchua bhi chhanke
Khole na bairi ye bhed kahi mann ke

Jhoka jo aaye to jiya mora sanke
Isse koi samjhaye

Mora jiya uda jaye
Haye mast pawan dole re dole re, dole re

Chun chun ke madhuban se kaliya main layi
Chun chun ke madhuban se kaliya main layi

Naam unka le le ke bindiya lagayi
Kesar me tori chunariya rangayi

Chun chun ke madhuban se kaliya main layi
Koi pee ka sandesha laaye

Mora jiya uda jaye
Haye mast pawan dole re dole re, dole re

Mora jiya uda jaye
Jaise barkha me mor lahraye
Haye mast pawan dole re dole re, dole re.
