

Mastana albela sirf ek tu
Hai laakhon mein akela
Mastana albela sirf ek tu
Hai laakhon mein akela
Mastana albela sirf ek tu
Hai laakhon mein akela
Humko aisa laga jab hame tu mila
Surmiye raat mein chand jaise kila
Tere charon taraf hai laga
Sitaron ka yeh mela
Sitaron ka yeh mela

Bhola hai sada hai tu
Koyi shehzaada hai
Hum tujhko chahenge
Apna to yeh vaada hai
Gham ho chhaye khushi
Keh rahi zindagi
Tujh pe qurbaan hai apni jaan

Deewane muskura de
Deewane muskura de
Deewane muskura de

Aankhon mein sapne hai
Anjani yeh raatein hai
Tum se woh kehni hai
Is dil mein jo baaten hai
Tu shararat kare hum se jagda kare
Phir bhi hum to tujhe apna maane
Yeh raaz tune jaane
Yeh raaz tune jaane
Yeh raaz tune jaane

Lambhi umr ki hum tujko duaen de
Chume tera maatha teri balaye le
Mamta ke aanchal mein
Tujhko sulaye gaye
Tujhse to hai koyi naata
Lage tu hame pyaara tu
