

Master The Blaster Song Lyrics

Got the man with the plan right here
Bringin swag with the man right here
Livin it up and sippin on beer
Yeah clap for me man right here

Got the man with the plan right here
Bringin swag with the man right here
Livin it up and sippin on beer

lyrics

And with the plan right here
Bringin swag with the man right here
Livin it up and sippin on beer
Yeah clap for me man right here

Got the man with the plan right here
Bringin swag with the man right here
Livin it up and sippin on beer
Yeah clap for me man right here
Sound the alarm.
