

Mat kar lala mat kar
Mat kar lala mat kar

Haan har baari beat pe main kuch to naya bol raha
Baatein misaal nahi missile hai
Tu darega ki diss-style hai
Jo aa raha dil mein keh de raha

Waqt de raha kamyabi speed dial pe
Freestyle karu tum hai g-style
Jo bhi karu g-squad ho mere pe na free time
Game mein pehlu fifa kick maari b-twice

Bachkaane tu to meetha isliye hum jeeta hai
Maine isliye beef kiya kyunki mila inhai reach hai

Uksane lage mujhe jake seedha dhar daale

Bahut saare bacche idhar yaha pe na nazar daale
Aisa tu kabhi na dekha jo bhi yaha kamina dekha
Bhar daale bhar daale bhar daale
Chal lala ko rehne de shanti se

Daanto mein chamak rahi hai chandi se
Jebein bhareli hai gandhi se
Tu khaali bol bachan hum idhar kar daale
Ab beat pe naya geet hai naya

Ladko se seekh naya jigar hai ya
O jeelo ke trigger hai ya dekhne aa
Khulega yeh muh meri boli lage thap thap thap
Bol lala kya teri khwahish
Machare jab se tab se 22
Shoddy aaye bachke na nazar rakh bhai
Apni machake mazak hai pateli vagerah beta karna apne ghar jake
Ek kadam galat na peedhi teri barbaad

Saanp paale iske liye d khas chahiye
Iba wala flow zara fast chahiye
Abba jabba dabba naam pe na lage dhabba

Banna hai angaar ka dabba maarega one tap-a

Kahin pe bhi milega to dhabba bolega tu pappa

Teko bhi to malum hai hum chap-a story mein

Baccha baccha bhi to saccha pyar karta hai bantai se

Chal aaye bhai yaha se fir one time se
