

Matlab ke andhe hai  
Lalach ke maare hai  
Jazbaat ki hatya karte hai  
Yeh woh hatyare hai  
Jazbaat ki hatya karte hai  
Yeh woh hatyare hai  
Yeh woh hatyare hai  
Yeh woh hatyare hai  
Inke haathon giravi  
Sab khwaab humare hai  
Jazbaat ki hatya karte hai  
Yeh woh hatyare hai  
Jazbaat ki hatya karte hai  
Yeh woh hatyare hai

Farishton se nazar aaye  
Dharam avtaar lagate hai  
Humein lekin darindon se bhu  
Yeh khunkhaar lagate hai  
Sharafat ka pehen zaawa  
Sharafat ko lazate hai  
Yahin woh log masumo ko  
Jo zinda jalate hai  
Yeh dil ke rishton pe  
Chalte huye aare hai  
Jazbaat ki hatya karte hai  
Yeh woh hatyare hai  
Jazbaat ki hatya karte hai  
Yeh woh hatyare hai  
Yeh woh hatyare hai  
Yeh woh hatyare hai

Mile ilzaam chhale gaanv  
Inki meherbaani se  
Sukun ki maut achhi hai  
Tadap ki zindagani se  
Kahaan khawabon ki jannat hai  
Mohabbat ka samandar hai  
Ise sasuraal kya kahiye  
Yeh ghar to sab se badtar hai

Agar bhagvaan behra  
Ho to usko yaad kya kije  
Jahaan pe dard ho haatim  
Wahan pe fariyaad kya kije  
Khushi se kaatilo mein kaun  
Likhvata hai naam apna  
Bahot majboor hone par liye hai  
Intaqaam apna  
Hum sab se jeete hai  
Taqdeer se haare hai  
Jazbaat ki hatya karte hai  
Yeh woh hatyare hai  
Jazbaat ki hatya karte hai  
Yeh woh hatyare hai  
Matlab ke andhe hai  
Lalach ke maare hai  
Jazbaat ki hatya karte hai  
Yeh woh hatyare hai.
