

Matwala sawan aaya masti ka mausam laya
Jhum jhum ke dil mera gane laga
Papiha pi pi bole kano me ras ghole
Sanso me pyar gungunane laga
Gungunane laga
Oho ho matwala sawan aaya

Chede hai kisne murli ki dhun
Faili jo thirkan sanso me
Rang anokhe bhar diye kisne
Bholi bhali adao me
Koyal bela mastana hoga tera diwana
Dur dur se jisko ye bulane laga
Oho ho matwala sawan aaya

Chalke gagariya barse badariya
Fir bhi najariya pyasi kyu
Tu pyasi hai pi ke milan ki
Samjhe na bat jara si kyu
Ye thandi thandi aahe khoi khoi nigahe
Kahti hai koi tadpane laga
Oho ho matwala sawan aaya

Chalana sambhal ke lut na jaye
Prem nagar ki raho me
Aaj kisi par mar mitne ki
Chah jagi hai nigaho me
Ye lachki lachki dale
Ye bahki bahki chale
Tan man mera dagmagane laga
