

Naa tha kuch to khuda tha  
Kuch na hota to khuda hota  
Duboya mujko hone hain  
Na hota main to kya hota....

Sari dunia hai faani maula tu ha laa faani maula  
Dunia hai faani maula tu ha laa faani maula....  
Kyo main dunia mein kya farak padta hain  
Mere na hone se khuda  
Hoo sab jakham khulte hain  
Kabh daag dulte hain aakhon ke dhone se khuda  
Meri tutan meri futan koi sun bhi na paye re  
Tu hi chun le meri bikharan koi chun bhi na paye re  
Sari dunia hai faani maula tu ha laa faani maula  
Dunia hai faani maula tu ha laa faani maula....  
Maula.....

Main tha andhera gehra andhera  
Chamka hai mujme tu mursa  
Main tujko dhundu tujme ye dhundu  
Kyo paas ho ke kyo door sa  
Kyo paas ho ke door sa  
Har raah teri hain main ikk musafir hoon  
Tu meri manzil hai khuda  
Fir kyo hoon duba main dunia ke sagar mein

Jab tu hi sahil hai mera  
Meri bichadan meri tadpan koi jan na paye re  
Kabhi sujhe meri uljhan tu hi jo suljhaye re  
Sari dunia hai faani maula tu ha laa faani maula  
Dunia hai faani maula tu ha laa faani maula....
