

Maula maula maula maula hey maula
Hey maula maula maula maula
Hey maula maula maula maula
Yeh ishq deewaana, adana sa fasaana
Aankhon se tapaka shabnamka hai daana
Maula maula maula maula
Hey maula maula maula maula maula
Maula maula maula maula
Hey maula maula maula maula maula

Yeh ishq deewaana, adana sa fasaana
Aankhon se tapaka shabnamka hai daana
Maula maula maula maula
Hey maula maula maula maula maula.....

Maula maula maula maula.....
Na lay hai nadi mein, na sur baasuri mein
Kahaan kho gayi hai khushi jindagi mein
Ho kahin dillagi hai kahin dilkashi hai
Hamein kya mila hai teri aashiqi mein
Teri aashiqi mein
Maula maula maula maula
Hey maula maula maula maula maula.....

Maula maula maula maula.....
Udaasi ko kaise khabar lag gayi hai,
Ummido ko meri najar lag gayi hai
Maula maula maula maula.....
Tunure muhabbat mujhe tujhase chaahat
Yahin par milegi mujhe ghum se raahat,
Mujhe ghum se raahat
Maula maula maula maula
