

Maya machhidra mujh pe
Mantar mat karana
Jadu mantrar se mujh ko
Pagal mat karana
Pyasa dil ho to pagal ho
Jaye mistari dil ka shastari
Banho mein teri bitegi
Meri raatari sari ratari
Phoolvari phoolvari
Divyadham ki phoolvari
Aaunga sab kuchh de dunga
Tu bhi hai mardana
Main bhi hoon mastani
Pyaar ki baja le dholaki
Hotho se chhu le tu banho mein bhar le
Tu sundari baja le bansuri
Maya machhidra mantrar padane tu aaya
Jadu mantrar se pagal karane tu aaya

Tune kya kar diyaa o mere jaan e jaan
Dhadakan mein tu hi tu hai balam
Jabase pyar ho gaya o meri dilaruba
Khabo mein tu hi tu hai janam
Bantane se shahad kam hoga to kya
Chumane se shakkar rog aaye to kya
Har din yun hi milana hai
Na dhin dhinna karana hai
Sundari baja le bansuri
Vaqt pyar ka hai sajana
Minamekh tu mat karana
Chhokara baja le khajara
Maya machhidra mantrar padane tu aaya
Jadu mantrar se pagal karane tu aaya

Na janun mera naam naa janun

Mera ganv puchhun main tujhako
Mere raja bhasha bhi bhula
Main jeevan bhi bhula
Main bhula hun sab kuchh meri rani

Pyar mein saval karake fayada nahi
Kamadev der tak rukata nahi
Barf ki tarah pighalege
Pighal ke kavita likh dege
Sohini meri mohini
Dono mil ke duniya ka naqsha
Ham ban jayege jalama o mere balama
Maya machhidra mantar padane tu aaya
Jadu mantar se pagal karane tu aaya.
