Nana nananaaa... Nanana
Nana nananaaa... Nanana

Mazha vande vande
Kulir thennalumai
Chiri thookum mannil
Kaliyaadi varu

Kaalam thedum nenjam
Kanamaarnniduvan
Neram mannin arikiloru
Poomazhayaai

Thirike varu arikili varu

Mazha vande vande
Kulir thennalumai
Chiri thookum mannil
Kaliyaadi varu

Moham oru chirakumai parannuyarunnu
Njanum athilanupama maayaliyunnu
Animalaraai pozhiyukayo
Cheru mazhayil nanayukayo

Oru raagame parannu varu

Mazha vande vande
Kulir thennalumai
Chiri thookum mannil
Kaliyaadi varu

Kaattum oru kadankadha moolunna neram
Kuyilum pathil narumozhi oothunna bhaavam
Idavazhiyil poovithalaai
Pozhiyukayaai naru vasandham

Oru mohamaai unarukayaai

Mazha vande vande
Kulir thennalumai
