

Hey dude main hood wood tum ho saare bloody fool
Mera style meri smile kudiya bole very cool
You don't know me buddy,
I don't get for anybody
You don't know me buddy,
I don't get for anybody
I can and be me myself
Me myself, me myself, me myself
You don't know me buddy,
I don't get for anybody
You don't know me buddy,
I don't get for anybody
I can and be me myself
Me me me myself,
Hey me myself, me myself

We rehati mere dil mein,
Will smith ki main dekhu filmein
Duniya meri pith pe jhumein,
India ka rockstar dekho hoon main
You don't know me buddy,
I don't get for anybody
You don't know me buddy,
I don't get for anybody
I can and be me myself
Hey hey me myself,
Ma ma ma me myself,
That's me myself, to get it

Disco mein jaau sare dekho,
Leta hoon the killer chance miss
I can handle any situation,
Kaun dega mujhe yahan competition
You don't know me buddy,
I don't get for anybody
You don't know me buddy,
I don't get for anybody
I can and be me myself
Hey me myself,
Ma ma me myself,

O baby me myself, i like you
I love being me o yeah.
