

Medina, medina  
Medinatun nabi,

In my dreams i make my way,  
To medina,  
The home and chosen place,  
Of our beloved prophet,  
Where all i feel is peace,  
And so much joy around,  
No better place for me,  
Yeah

Medina, medina,  
Medinatun nabi,  
Medina, medina,  
That's where i want to be,

Medina, medina,  
Medinatun nabi,  
Medina, medina,  
That's where i want to be,

Oooo..ooo...  
Medina medina

Oooo..ooo...  
Medina medina

I wake with the morning light,  
In medina,  
Bharatlyrics.com  
Everywhere i see blue skies,  
Set above these mountains,  
Bright colours fill the streets,  
A smile on every face,  
A special place for me..  
Yeah!

Medina, medina,  
Medinatun nabi,  
Medina, medina,
