Varayante kayyinu kakkane muthiye

Maane maane mayile mayile
Pokum vazhiye ini nilaavathu
Kaanatha kazhcha kanum
Kaade kaade kaalam kaalam
Kaattum kaattum
Inee nilaavathu eythonna kondaavum

Meesha pirichu vamban thokkinte thira nirakkam
Meesha pirichu vamban vaalunnu urayinnedukkam
Ambundu villundu kaalimmel ottana
Adukku thokkalla uppane kettanam
Pinnedum vannalum kothaathe kaathone
Chora podiyaandu kakkam muthiye

Kaakane muthiye

On the mark when i count to three
When i count to three you gotta pull
The trigger maka never lose it
'cause for a bloody second chance
This is the day

Ini illa illa kalikkoru gap
Focus oh boy look ya
Inga paar maka aaya thera dcr
Man you better pray for you
Odukkatha nap
Case ini illa mmb

Kalikkoru chance
You got to pull the trigger never lose you

Azhal aalunnu innum vaanolam
Naam engo poyi
Azhal aalunnu innum vaanolam
Naam engo poyi
