

Meethi Boliyaan Song Lyrics

Meri duniya hi badal gayi hai
Jab se maine suni hai
Ye teri meethi boliyaan

Mujhe neendo se jagaa rahi hai
Behla fusla rahi hai

Ye teri meethi boliyaan

Sunta hoon teri baate
Mai saari saari raatein
Bas yuhi baithe baithe khamkha

Hardam teri kami hai
Man bharta hi nahi hai
Sun sun ke teri meethi boliyaan

Tum saath ho to
Mai jee raha hoon
Reh jaao kuch pal aur yaha

Khamoshiyon me
Jo sun raha hoon
Wo dhun hai teri meethi boliyaan

Nagme laakh nagme
Sunta hoon jab tum hote ho saamne
Rang mein surkh rang
Gulta hoon jab tum hote ho saamne

Aur tum hote jab nahi ho
Mujhe lahta hai yahi ho
Jadoo hai teri meethi boliyaan

Tum saath ho to
Main jee raha hoon
Reh jaao kuch pal aur yaha

Khamoshiyon me
Jo sun raha hoon
Wo dhun hai teri meethi boliyaan

Barson kal ya parson
Naa jaane kab se jaanoon main tumhe
Kal ko chaahе jo ho

lyrics

Main door hone doonga naa tumhe

Duniya ka kya bharosa
Jhoothi hai iski baatein
Sachhi hai teri meethi boliyaan

Tum saath ho to
Main jee raha hoon
Reh jao kuch pal aur yaha

Khamoshiyon me
Jo sun raha hoon
Wo dhun hai teri meethi boliyaan
