---

Meghalalo harivillula  
Merisenule na manase ila  
Chaithraalalo chiguraakula  
Virisenule na vayase ila

Aakashaanaa anchudaaka  
Aashalevo eguruthunte  
Achhamaina sambaraale  
Chentha vaali nannu thadithe

E kotha bangaru lokame naa sontam kadaa  
Ne chindhulesi adhuthunte avara fidha  
Na ranguvoani galipaina parigettadaa

Chempalemo siggutho kandhela  
Challagaale gilluthundhee velaa  
Praayamemo ooyale oogelaa  
Korikedo allukundivala

Maatalo madhurimale vinnaraa  
Naa choopulo chura churale kannaara

E kotha bangaru lokame naa sontam kadaa  
Ne chindhulesi adhuthunte avara fidha  
Na ranguvoani galipaina parigettadaa

Ee haayilo maikamea kammele
