

Dheeme dheeme nasha chadhne de
Roye roye ko nam padne de
Roko mat teri had badhne de
Meri zid ko bhi sar chadhne de
Mere hosho ke ghoom hone tak
Hogi meharbani teri
Meharbani teri meri rooh khone tak

Dheeme dheeme nasha chadhne de
Roye roye ko nam padne de
Roko mat teri had badhne de
Meri zid ko bhi sar chadhne de
Mere hosho ke ghoom hone tak
Hogi meharbani teri
Meharbani teri meri rooh khone tak

Bhar ke bhi kar raha yun ka yun khaali kyun
Mar ke bhi jee raha mujhe mein tu rubaroo
Bedagaah bhi duaan lag raha aisa kyun
Darmiyaan teri haa teri naa rubaroo
Tere zaalim hoonar padhne de
Ghola tune zaher chadhne de
Mera sab pe zunoon badhne de
Shaheer mera tabaah hone tak
Hogi meharbani teri
Meharbani teri meri rooh khone tak

Tera bhi mera bhi ek hi hai khuda
Mera dam tera sam ishq hai par judaah

Tu dukha dil dukha de zara aur maza
Na chura aankhein yun kar na yun jaan fidaa
Tere dhang mere rang pisme de
Thodi si zamee khisne de
Zara saa aasmaan risne de
Hum toh ghere fanaah hone tak
Hogi meharbani meharbani meharbani.
