

Afwaah..afwaah,  
Ye udne lagi afwaah,  
Main hoon inki,  
Ye shoor khakhah..

Jhote aashiq aur jhote hai charcha,  
Bole kuch bhi,hai mujhko nahi parwah,

Wana love wana wana love me..  
Wana love wana wana love me..  
Wana love wana wana love me..  
Wana love wana wana love me..

Tu meri mehbooba,

Na...na...na..na..

Tu meri mehbooba..

Fidaas dil behosh dil,  
Tere ishq mein dooba,  
O meri mehbooba, mehbooba...mehbooba..

Meri meri meri meh-booba,  
Teri teri teri aankhon mein dooba,  
Gahra samundar hai ya hai ajooba,  
Main marr hi na jaun,na uttho main subah..

Na kar mere dil ke tu tukde,  
Na taal tu bol ke fukrey,  
Dekho bas itni hai baat launda smart hai,  
Bas thodi aadatein kharab hai..

Bigadi bigadi..badmashiyaan inki,  
Mashoor kitni aiyashiyaan inki,  
Mere piche barbaad rahe hain,  
Kah doon inse yahi baat kahte hain...

Wana love wana wana love me..  
Wana love wana wana love me..  
Wana love wana wana love me..

Wana love wana wana love me..

Tu meri mehbooba...mehbooba..mehbooba,  
Tujhe jana hai to jaa..  
Teri marzi mera kya..

Tu meri mehbooba..

Fidaas dil behosh dil,  
Tere ishq mein dooba,  
Main nahi mehbooba...nahi teri mehbooba,  
Tujhe jana hai to jaa..

Teri marzi mera kya..

Ye sunke mazza hai na aata,  
Waise aise main na kisi ko patata,  
Aise aashiqon ko kon satata,  
Jana hai to ja tujhe bye bye tata...
