

Mehbooba mehbooba meri mehbooba,
Mehbooba meri mehbooba
Jabse tujhe dekha hai, jabse tujhe chaaha hai
Kuchh hosh nahi duniya ka, mehbooba meri mehbooba
Jabse tujhe dekha hai, jabse tujhe chaaha hai
Kuchh hosh nahi duniya ka, mehbooba meri mehbooba

Shaayar jo tujhe dekhe toh ghajal ke daale
Shaayar jo tujhe dekhe toh ghajal ke daale
Tujhe husn ka jinda taajmahal keh daale
Bijali ki chamak suraj ki damak hai noor tei aankhon ka
Mehbooba, mehbooba meri mehbooba
Jabse tujhe dekha hai, jabse tujhe chaaha hai
Kuchh hosh nahi duniya ka, mehbooba meri mehbooba

Teri julf ke khaatir baag khilaaye kaliya
Tu gujare jahaan se jannat hai woh galiya
Phulon ki mehak bulbul ki chehakar
Shay mein tera hai charcha

Mehbooba, mehbooba meri mehbooba
Jabse tujhe dekha hai, jabse tujhe chaaha hai
Kuchh hosh nahi duniya ka, mehbooba meri mehbooba

Bhule se agar tu shaam ko baahar aaye
Bhule se agar tu shaam ko baahar aaye
Kya chaand ki jurrurat hai jo nikalane paaye
Dekhe jo tujhe hairat se kahe
Yeh chaand hai kis duniya ka

Mehbooba, mehbooba meri mehbooba
Jabse tujhe dekha hai, jabse tujhe chaaha hai
Kuchh hosh nahi duniya ka, mehbooba meri mehbooba
Mehbooba meri mehbooba, mehbooba meri mehbooba.
