

Zamane me mere  
Charche sunoge deewano  
Nahi sab yaad mujhko  
Kitne mere naam rakhe hai  
Mehabuba naam hai mera  
Mehabuba naam hai mera  
Aashiqo ko salam hai mera  
Dilo ko jo jodna dilo ko jo jodna  
Dilo ko jo jodna dilo ko jo jodna  
Subho sham yahi kam hai mera  
Mehabuba naam hai mera  
Aashiqo ko salam hai mera

Badal jati hai ye aksar  
Magar hai bewafa meri nazar  
O bewafa meri  
Koi phir bhi na samjhe to  
Nahi khata isme meri  
Nahi khata isme meri  
Mere chehare pe likha  
Ye dag to gam hai mera  
Mehabuba naam hai mera  
Aashiqo ko salam hai mera

Jawani me mohabbat  
To hajaro log karte hai  
Bahut kam sath jite hai aur  
Bahut kam sath marte hai  
Mohabbat ek wada hai  
Jise hum sab ne toda hai  
Jise hum sab ne toda hai

Kisi ko maine chhoda hai  
Kisi ne mujhko chhoda hai

Kisi ne mujhko chhoda hai  
Magar kyu naam duniya  
Me fakat badnaam hai mera  
Mehabuba naam hai mera  
Aashiqo ko salam hai mera.
